Circular No. 066- 2021

Subject: PLEASE GET VACCINATED THE SOONEST POSSIBLE TIME

Dear MAP Member:

The vaccine is the best protection against the illnesses brought by COVID-19, and the best vaccine is the one that is available.

While some of you are waiting for the MODERNA vaccine, please explore other organizations that are now providing vaccines.

The local governments have ongoing vaccination programs. Please check out their websites and social media channels to find out how you can avail of the vaccine through them. Consider getting the vaccine earlier.

As you know, we assisted 121 MAP members in the purchase of 47,000 doses of the MODERNA vaccine for their employees and families. Another 10 MAP members purchased more than 4,000 doses each for total order of 71,000 doses.

While the first tranche of the Moderna vaccine will arrive within June 21 to 27, the quantity involved is only 55,000 doses or less than 1% of the 7,000,000 doses ordered by the private sector.

Please take care of yourselves, your colleagues and your families. We strongly urge you to continue observing the recommended safety and hygienic protocols wherever you may be.

Stay safe and healthy.

Sincerely,
